THE BIRDS OF IOWA - 432 Species

This guide includes all species recorded in Iowa arranged in taxonomic order. All photos are taken in Iowa. Rare species needing a written documentation for review are indicated. Documentations may be completed at https://iowabirdrecords.org/.

Black-bellied Whistling-Duck
Dendrocygna autumnalis
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 43 of 99 counties.
Photo by Loren & Babs Padelford

Fulvous Whistling-Duck
Dendrocygna bicolor
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by Paul Roisen
Review required

Snow Goose
Anser caerulescens
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 99 of 99 counties.
Photo by Mark Brown

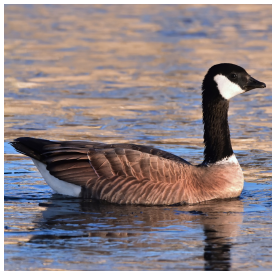
Ross's Goose
Anser rossii
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 97 of 99 counties.
Photo by Dean Hester

Greater White-fronted Goose
Anser albifrons
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 99 of 99 counties.
Photo by Julie Johnston

Taiga Bean-Goose
Anser fabalis
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by B. J. Rose
Review required

Tundra Bean-Goose
Anser serrirostris
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 1 of 99 counties.
Photo by Lisa Saffell
Review required

Brant
Branta bernicla
Species Status: Accidental
Evidence: Specimen
Nesting Status: No record
Recorded in 12 of 99 counties.
Photo by Paul Hertzel
Review required



Cackling Goose
Branta hutchinsii
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 98 of 99 counties.
Photo by Dean Hester

Canada Goose
Branta canadensis
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Billy Reiter-Marolf

Mute Swan
Cygnus olor
Species Status: Regular
Evidence: Photo
Nesting Status: No record
Recorded in 61 of 99 counties.
Photo by Clayton Will

Trumpeter Swan
Cygnus buccinator
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Kevin Powers

Tundra Swan
Cygnus columbianus
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 81 of 99 counties.
Photo by Dean Hester

Wood Duck
Aix sponsa
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Ken Saunders

Garganey
Spatula querquedula
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by Paul Roisen
Review required

Blue-winged Teal
Spatula discors
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Ken Saunders

Cinnamon Teal
Spatula cyanoptera
Species Status: Regular
Evidence: Photo
Nesting Status: No record
Recorded in 55 of 99 counties.
Photo by Clayton Will

Northern Shoveler
Spatula clypeata
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Ken Saunders

Gadwall
Mareca strepera
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Clayton Will

Eurasian Wigeon
Mareca penelope
Species Status: Accidental
Evidence: Specimen
Nesting Status: No record
Recorded in 14 of 99 counties.
Photo by Brandon Caswell
Review required

American Wigeon
Mareca americana
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Clayton Will

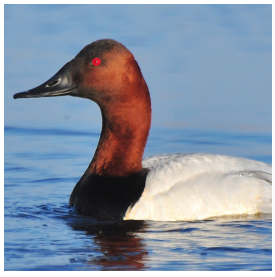
Mallard
Anas platyrhynchos
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Dean Hester

American Black Duck
Anas rubripes
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 81 of 99 counties.
Photo by Wolf Oesterreich

Mottled Duck
Anas fulvigula
Species Status: Casual
Evidence: Photo
Nesting Status: No record
Recorded in 5 of 99 counties.
Photo by Clayton Will
Review required if no photo

Northern Pintail
Anas acuta
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Dana Siefer

Green-winged Teal
Anas crecca
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Dana Siefer



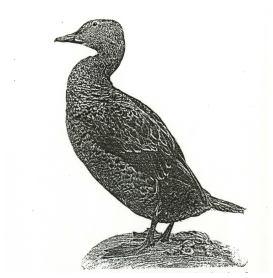
Canvasback
Aythya valisineria
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Lowell Washburn

Redhead
Aythya americana
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Linda Petersen

Ring-necked Duck
Aythya collaris
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Mark Brown

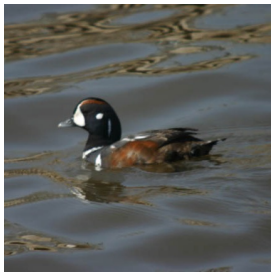
Greater Scaup
Aythya marila
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 95 of 99 counties.
Photo by Clayton Will

Lesser Scaup
Aythya affinis
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Ken Saunders



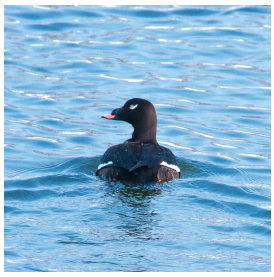
King Eider
Somateria spectabilis
Species Status: Accidental
Evidence: Specimen
Nesting Status: No record
Recorded in 5 of 99 counties.
Photo by Ken Formanek
Review required

Common Eider
Somateria mollissima
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by Reid Allen
Review required



Harlequin Duck
Histrionicus histrionicus
Species Status: Casual
Evidence: Specimen
Nesting Status: No record
Recorded in 9 of 99 counties.
Photo by Steve Freed
Review required if no photo

Surf Scoter
Melanitta perspicillata
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 51 of 99 counties.
Photo by Julie Johnston



White-winged Scoter
Melanitta deglandi
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 50 of 99 counties.
Photo by Paul Roisen

Black Scoter
Melanitta americana
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 41 of 99 counties.
Photo by Clayton Will

Long-tailed Duck
Clangula hyemalis
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 50 of 99 counties.
Photo by Reid Allen

Bufflehead
Bucephala albeola
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Ken Saunders

Common Goldeneye
Bucephala clangula
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 98 of 99 counties.
Photo by Clayton Will

Barrow's Goldeneye
Bucephala islandica
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 12 of 99 counties.
Photo by Brandon Caswell
Review required

Hooded Merganser
Lophodytes cucullatus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Stanley Buman

Common Merganser
Mergus merganser
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 99 of 99 counties.
Photo by Clayton Will

Red-breasted Merganser
Mergus serrator
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 97 of 99 counties.
Photo by Jay Gilliam

Ruddy Duck
Oxyura jamaicensis
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Clayton Will

Northern Bobwhite
Colinus virginianus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 94 of 99 counties.
Photo by Doug Harr

Wild Turkey
Meleagris gallopavo
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Doug Harr

Ruffed Grouse
Bonasa umbellus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 22 of 99 counties.
Photo by Tom Schilke

Sharp-tailed Grouse
Tympanuchus phasianellus
Species Status: Extirpated
Evidence: Specimen
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by Loren Hansen

Greater Prairie-Chicken
Tympanuchus cupido
Species Status: Accidental
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 21 of 99 counties.
Photo by Don Poggensee
Review required

Gray Partridge
Perdix perdix
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 78 of 99 counties.
Photo by Clayton Will

Ring-necked Pheasant
Phasianus colchicus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Bruce McKee

Pied-billed Grebe
Podilymbus podiceps
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Doug Harr

Horned Grebe
Podiceps auritus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 91 of 99 counties.
Photo by Jay Gilliam

Red-necked Grebe
Podiceps grisegena
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 49 of 99 counties.
Photo by Dana Siefer

Eared Grebe
Podiceps nigricollis
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 83 of 99 counties.
Photo by Clayton Will

Western Grebe
Aechmophorus occidentalis
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 67 of 99 counties.
Photo by Clayton Will

Clark's Grebe
Aechmophorus clarkii
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 13 of 99 counties.
Photo by Reid Allen
Review required

Inca Dove
Columbina inca
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 1 of 99 counties.
Photo by Brandon Caswell
Review required

Common Ground Dove
Columbina passerina
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 4 of 99 counties.
Photo by T. H. Kent
Review required

White-winged Dove
Zenaida asiatica
Species Status: Regular
Evidence: Photo
Nesting Status: Confirmed
Recorded in 43 of 99 counties.
Photo by Clayton Will

Mourning Dove
Zenaida macroura
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Dylan Osterhaus

Passenger Pigeon
Ectopistes migratorius
Species Status: Extinct
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 8 of 99 counties.
Photo by Museum of Natural History and Old Capitol Museum

Eurasian Collared-Dove
Streptopelia decaocto
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Doug Harr

Rock Pigeon
Columba livia
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Clayton Will

Groove-billed Ani
Crotophaga sulcirostris
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 5 of 99 counties.
Photo by T. H. Kent
Review required

Yellow-billed Cuckoo
Coccyzus americanus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Doug Harr

Black-billed Cuckoo
Coccyzus erythropthalmus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 97 of 99 counties.
Photo by Clayton Will

Common Nighthawk
Chordeiles minor
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Mark Brown

Chuck-will's-widow
Antrostomus carolinensis
Species Status: Regular
Evidence: Photo
Nesting Status: Confirmed
Recorded in 23 of 99 counties.
Photo by Mark Brown

Eastern Whip-poor-will
Antrostomus vociferus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 82 of 99 counties.
Photo by Jim Durbin

Chimney Swift
Chaetura pelagica
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Jay Gilliam

Mexican Violetear
Colibri thalassinus
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by Paul Roisen
Review required

Ruby-throated Hummingbird
Archilochus colubris
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Linda Rudolph

Anna's Hummingbird
Calypte anna
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 1 of 99 counties.
Photo by Aaron Brees
Review required

Rufous Hummingbird
Selasphorus rufus
Species Status: Casual
Evidence: Specimen
Nesting Status: No record
Recorded in 18 of 99 counties.
Photo by Gerald White
Review required if no photo

Broad-billed Hummingbird
Cynanthus latirostris
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by Jacob Newton

King Rail
Rallus elegans
Species Status: Casual
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 40 of 99 counties.
Photo by Tony Moline
Review required if no photo

Virginia Rail
Rallus limicola
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 75 of 99 counties.
Photo by Tom Schilke

Sora
Porzana carolina
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 93 of 99 counties.
Photo by Larry Dau

Common Gallinule
Gallinula galeata
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 60 of 99 counties.
Photo by Doug Harr

American Coot
Fulica americana
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Jay Gilliam

Purple Gallinule
Porphyrio martinicus
Species Status: Accidental
Evidence: Specimen
Nesting Status: No record
Recorded in 7 of 99 counties.
Photo by T. H. Kent

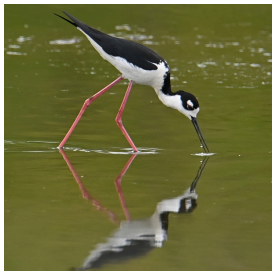
Sandhill Crane
Antigone canadensis
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 94 of 99 counties.
Photo by Jay Gilliam

Whooping Crane
Grus americana
Species Status: Accidental
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 23 of 99 counties.
Photo by Carolyn Fischer
Review required



Black-necked Stilt
Himantopus mexicanus
Species Status: Regular
Evidence: Photo
Nesting Status: Confirmed
Recorded in 46 of 99 counties.
Photo by Ken Saunders

American Avocet
Recurvirostra americana
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 78 of 99 counties.
Photo by Ken Saunders

Black-bellied Plover
Pluvialis squatarola
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 77 of 99 counties.
Photo by Jay Gilliam

American Golden-Plover
Pluvialis dominica
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 89 of 99 counties.
Photo by Stephen J. Dinsmore

Killdeer
Charadrius vociferus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Dana Siefer

Semipalmated Plover
Charadrius semipalmatus
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 95 of 99 counties.
Photo by Doug Harr

Piping Plover
Charadrius melodus
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 33 of 99 counties.
Photo by Reid Allen

Snowy Plover
Anarhynchus nivosus
Species Status: Accidental
Evidence: Photo
Nesting Status: No record
Recorded in 15 of 99 counties.
Photo by Stephen J. Dinsmore

Upland Sandpiper
Bartramia longicauda
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 94 of 99 counties.
Photo by Jay Gilliam

Hudsonian Whimbrel
Numenius hudsonicus
Species Status: Regular
Evidence: Photo
Nesting Status: No record
Recorded in 23 of 99 counties.
Photo by Mark Brown

Eskimo Curlew
Numenius borealis
Species Status: Extinct
Evidence: Specimen
Nesting Status: No record
Recorded in 2 of 99 counties.
Photo by Museum of Natural History and Old Capitol Museum

Long-billed Curlew
Numenius americanus
Species Status: Accidental
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 11 of 99 counties.
Photo by Doug Harr

Review required

Hudsonian Godwit
Limosa haemastica
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 80 of 99 counties.
Photo by Ken Saunders

Marbled Godwit
Limosa fedoa
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 68 of 99 counties.
Photo by Ken Saunders

Ruddy Turnstone
Arenaria interpres
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 60 of 99 counties.
Photo by Dana Siefer

Red Knot
Calidris canutus
Species Status: Casual
Evidence: Specimen
Nesting Status: No record
Recorded in 19 of 99 counties.
Photo by Stephen J. Dinsmore
Review required if no photo

Ruff
Calidris pugnax
Species Status: Casual
Evidence: Specimen
Nesting Status: No record
Recorded in 12 of 99 counties.
Photo by Mark Brown

Photo by Clayton Will

Dunlin
Calidris alpina
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 93 of 99 counties.
Photo by Mark Brown

Baird's Sandpiper
Calidris bairdii
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 94 of 99 counties.
Photo by Mark Brown

Least Sandpiper
Calidris minutilla
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 99 of 99 counties.
Photo by Mark Brown

White-rumped Sandpiper
Calidris fuscicollis
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 90 of 99 counties.
Photo by Jay Gilliam

Buff-breasted Sandpiper
Calidris subruficollis
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 57 of 99 counties.
Photo by Stephen J. Dinsmore

Pectoral Sandpiper
Calidris melanotos
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 98 of 99 counties.
Photo by Mark Brown

Semipalmated Sandpiper
Calidris pusilla
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 97 of 99 counties.
Photo by Thomas Dougherty

Western Sandpiper
Calidris mauri
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 44 of 99 counties.
Photo by Jay Gilliam

Short-billed Dowitcher
Limnodromus griseus
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 83 of 99 counties.
Photo by Mark Brown

Long-billed Dowitcher
Limnodromus scolopaceus
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 82 of 99 counties.
Photo by Mark Brown

American Woodcock
Scolopax minor
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 97 of 99 counties.
Photo by Jim Scheib

Wilson's Snipe
Gallinago delicata
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Mark Brown

Spotted Sandpiper
Actitis macularius
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 99 of 99 counties.
Photo by Brandon Caswell

Solitary Sandpiper
Tringa solitaria
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 99 of 99 counties.
Photo by Christopher Knisley

Lesser Yellowlegs
Tringa flavipes
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 99 of 99 counties.
Photo by Mark Brown

Prairie Willet
Tringa inornata
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 89 of 99 counties.
Photo by Ken Saunders

Greater Yellowlegs
Tringa melanoleuca
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 99 of 99 counties.
Photo by Clayton Will

Wilson's Phalarope
Phalaropus tricolor
Species Status: Regular
Evidence: Specimen
Nesting Status: Confirmed
Recorded in 91 of 99 counties.
Photo by Wolf Oesterreich

Red-necked Phalarope
Phalaropus lobatus
Species Status: Regular
Evidence: Specimen
Nesting Status: No record
Recorded in 58 of 99 counties.
Photo by Stephen J. Dinsmore

Red Phalarope
Phalaropus fulicarius
Species Status: Casual
Evidence: Photo
Nesting Status: No record
Recorded in 12 of 99 counties.
